

Former CLC clients... Get one of our best craftsmen – The first eight hours are on us!

As a former client of Construction Labor Contractors, we're asking for the opportunity to further support your business. It is our goal and commitment to help you meet all your contingent workforce needs with craftsmen who emphasize Safety, Productivity and Craftsmanship daily.

Let us prove ourselves to you – from both a staffing and labor-cost containment perspective. Contact our office. Tell us the trade and skill level. We'll deliver one of our craftsmen who meets your requirements and give you a credit for **8 Full Hours** on a 40-Hour order.

Preferred Client Voucher

*This offer is valid through December 31, 2018. For any one Tradesmen craftsman who completes a minimum 40-hour assignment with you in any one calendar week, the lesser of eight (8) standard / non-overtime hours (at the stated bill rate of such craftsman) or \$250.00 will be credited against your invoice for such craftsman's services. One voucher per client company only, please. Not valid with any other offer.

Please Attach Voucher to the Applicable Tradesmen Invoice or Hand to Our Field Rep.

Any questions can be answered through our local office General Manager. For a phone listing of each office visit our National Directory at www.tradesmeninternational.com
