

# Our craftsmen stand ready to help you rebuild communities impacted by the Thomas Fire.

Tradesmen's Ventura office employs hundreds of carpenters, electricians, plumbers, welders and other trades who are eager to help rebuild Ventura and Santa Barbara counties.

Our craft professionals – who emphasize Safety, Productivity and Craftsmanship – can be called upon to support your core workforce precisely when and where you need them... keeping your profit margins optimized!

**VENTURA OFFICE: 805.856.9694**

### Benefits of Partnering with Tradesmen International:

- Staff up or down based on workload – Sustain a profitable balance of work to workers
- Select from the area's largest pool of contingent craftsmen covering all skill levels:  
**Entry-Level    Apprentice-Level    Journey-level**
- One call gets you proven, field-tested carpenters, electricians, plumbers, painters, and plasterers, as well as concrete specialists, demo and remediation manpower
- Increase jobsite safety – Our craftsmen show up with proper PPE!
- We cover our employees under our Workers' Comp, minimizing your costs and risk
- All our craft employees are covered with a 4-Hour Satisfaction Guarantee\*

**Exclusive Offer: We're supporting all contractors working to rebuild Ventura and Santa Barbara with 1 Full Day Free on a 40 Hour Order!**

\*Must notify office within first 4 hours of employee arrival
