Tradesmen International
BE SAFE
Safety. Our #1 Core Value.

Safety is Tradesmen International's #1 Core Value and we are firmly committed to making safety the top concern for all our employees. Our goal is to help you to go home every day injury-free which is why we are providing you FREE OSHA 10-Hour Safety Training through our partner, and industry expert, *ClickSafety*. The training's on-line format offers convenience for you to complete the program from your home and at a pace that will work within your busy schedule.

It's easy to change your future! Log on to:
<http://clicksafety.com/tradesmen/>

The back of this brochure shows exactly how easy it is to login!

The course is recognized by America's contractors as the elite standard within the industry. The easy-to-follow coursework provides you up-to-date best safety practices specific to the construction industry and, upon completion, you will earn the valuable U.S. Department of Labor OSHA 10-Hour Completion Card that will benefit you in the following ways:

- **Being a cardholder shows you place great importance on safety and health which is a characteristic sought in employees by all contractors**
- **It shows your peers you take your occupation – among the most dangerous of all professions – very seriously**
- **More and more contractors, states and city jurisdictions require all craftsmen to have successfully completed the OSHA 10-Hour course to be allowed on their job sites**
- **Taking advantage of this training opportunity will make it easier for us to find you continuous job assignments – on some of the country's premier construction projects**

You will automatically receive your credentials (access code, username and password) by email upon dispatch to your first assignment. Once you receive your credentials to start the course, if at any time you encounter any issues, please be sure to contact your local field office immediately. If you do not have access to a computer at home, contact your local field office's General Manager to make arrangements to use one of ours at our office.

Upon completion of the OSHA 10-Hour Training, you will receive a high visibility t-shirt! – BE SAFE!

Thank you for choosing to work with Tradesmen International and among America's elite skilled craftsmen. We look forward to working safely alongside you.

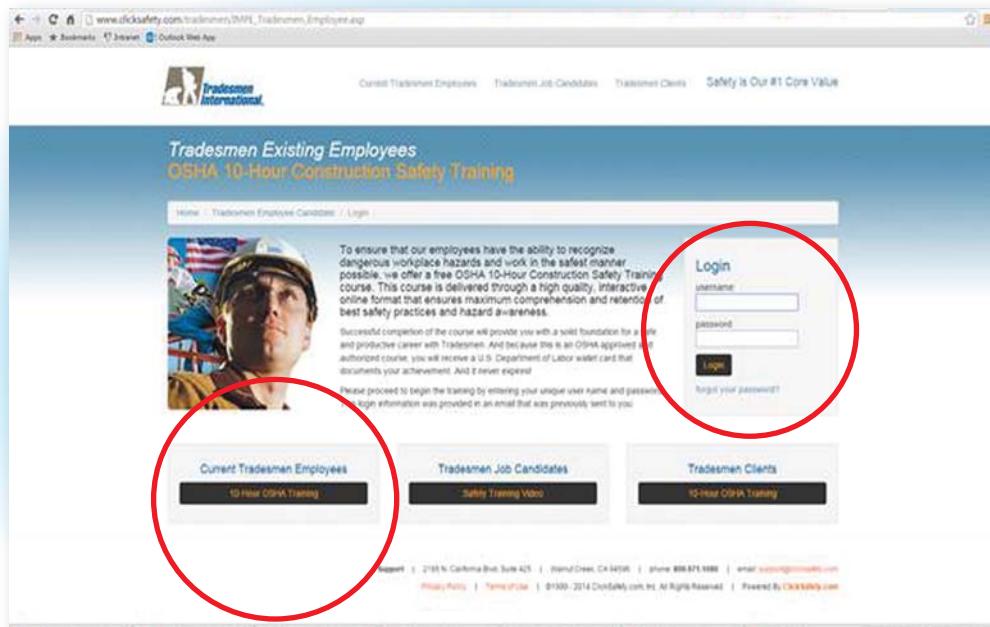

Be Safe. We mean it.

It's easy to begin! Go to

<http://www.clicksafety.com/tradesmen>

You will be directed to our home screen where you should click on the 10-Hour OSHA Training Button for Current Tradesmen Employees. Enter your access code, then login with your username and password.

This will direct you to ClickSafety's welcome screen! From here, you will begin your training.

If you have any questions, or if you forget your login information, please contact your local Tradesmen International Field Office for assistance.
